

Afton Elementary Newsletter

November 2022

At Afton Elementary we want to recognize and thank the many men and women who have served, and currently serve, in our country's armed forces. We honor them for their service, sacrifice, and love of country; understanding that we, as a nation, go about the business of our days while our military personnel work tirelessly to ensure we can do so. We are inviting our Veterans to a special assembly for our students to appreciate them on November 11th at 10:30am. Thank you Veterans!

Principal Danny Robinson

Snow Boots

Now that the weather is getting cold and snowy, please make sure your child has gym shoes to wear on P.E. days. Snow boots are not allowed in the gym because they ruin the floors and stocking feet are too slippery.

Turkey Trot

The annual Turkey Trot will be on Nov. 22. Please make sure your students have good shoes to run in and a coat that day. Due to construction and not having the available space, parents will not be invited to watch the Turkey Trot this year.

Math Facts

The following students have passed their math facts for addition: Justin Dugan, and Hendrix Barrett.
Congratulations for accomplishing this!

Coming Events

- Nov. 1.....Parent Teacher Conference
- Nov. 2.....Parent Teacher Conference
- Nov. 4.....No School
- Nov. 8.....PTO Meeting 8AM
- Nov. 10.....Veteran's Day Assembly
- Nov. 11.....No School
- Nov. 17.....Picture Retakes
- Nov. 22.....Turkey Trot
- Nov. 23.....Early Release
- Nov. 24,25....Thanksgiving Break-No School

Learning Update

Kindergarten - In October, Afton Kindergarteners were able to learn about community helpers. We met with the Policemen, Firemen, Ambulance workers, and snowplow personnel.

Students got to “rock” an alphabet letter and parade around the office and library for the third graders; they showed off their fashionable letter vests.

We will have Kindergarten Sing on Thursday, October 27th, in the afternoon. We will also give out awards to different students who have worked hard at being a good citizen during the month of October.

Earning the **Bucket Filler** award is Kambri Trauntvein, Hannah Suter, Luke Johnson, Anna Harris, Jaylee Plowman, and Benjamin Dance. Receiving the **Super Helper** award is Titan Worton, Addie Wadsworth, Capri Rich, James Hirschi, and Kalven Taylor. **Hard Worker** award was earned by Creedence Kilroy, Eli Villarreal, Benntlei Merritt, Andrew Hickey, and Rolando Miranda, Receiving the **Tidy at Lunch** award is Mackenzie Klein, Waverly Corson, Pepper Jacobson, Miloh Curtis, Jaxon Moffatt, and Ellie Smith. The **Best Friend** award is earned by Olivia Anderson, Harlon Merritt, Reese Hokanson, Jovie Balls, Chanley Cram, and Lincoln Ritchie. **Congratulations Terrific Tigers!**

1st Grade - It is hard to believe that we are almost one-fourth of the way through the school year! In November the first grade students will continue to develop reading strategies to solve hard words. Students will be working to develop reading fluency as well as comprehension skills during reading mastery and reading workshop. In math students will be developing an understanding of subtraction and then honing their addition and subtraction skills by working on their math facts. For writing students will begin the “How To” writing unit in preparation for informational writing later in the year. We are looking forward to a great month of learning, and feel blessed to have the opportunity to work with our first grade students.

2nd Grade - We are looking forward to Parent Teacher Conferences November 1st and 2nd. We’re excited to visit with you parents about your amazing kids! We have been working hard on growing as readers, finishing our narrative writing, and learning place value in math the last few months. Students who are reading and practicing their math facts at home each night are showing the most growth so keep up the good work!

This month we are focusing on gratitude as a grade level. We will be participating in some acts of service and we will be writing letters to people who have done something kind or helped us in some way. Keep supporting your student from home.

3rd Grade - Third graders have been working hard at memorizing their math facts this month. We have introduced division and are learning how multiplication and division are related. Third graders spent a week in science classes learning about forces, weather, and natural selection. Writing has been lots of fun this month. Students got to choose the kind of writing they wanted to focus on the past few weeks. Choices included poetry, adventure, fairy tales, and graphic novels. In reading, we have started a nonfiction unit. We are reading interesting articles about things like termite mounds and tardigrades as we build our nonfiction reading skills. We are learning and growing daily! Keep reading at home and practicing those math facts!
