March 2026

Literacy Week at Afton Elementary

March 2nd – March 5th

At Afton Elementary, we believe reading builds confident learners, strong leaders, and a strong school community. During the week of March 2–5, we will celebrate Literacy Week with special community guest readers and an exciting schoolwide reading challenge for our Little Chiefs!

Community Guest Readers

We are grateful for the following community members who have volunteered to record read-aloud videos that teachers will share with students and post to our Facebook page throughout the week:

Monday

Ella Cranney (2025 Rodeo Queen)
Stand Tall, Molly Lou Melon

Tuesday

John Hellsten (Lead in the *Joseph* Musical)
Even Superheroes Make Mistakes

Wednesday

Dr. Morgan
The Watermelon Seed

Thursday

Kathy Cress (Thayne Food Pantry)
Feisty's Journey Home

These guest readers help our students see that literacy is valued by leaders and community members across Star Valley.

Superhero Reading Challenge

Students will track books they read during the week by placing a sticker on our **Superhero Literacy Tracking Poster**.

Coming Events

March 2-5.....Literacy Week

March 6.....No School

March 8.....Daylight Savings

March 10 & 11.....Parent Teacher Conference

March 11.....PTO Meeting 1:45

March 13.....No School

March 17.....St. Patrick's Day

March 19.....High School Musical

March 27.....No School

March 30-April 3...Spring Break

Book Fair

Scholastic Book Fair coming soon! Watch for parent letter and flyer. It will be sent home with students the first week of March.

March 9th-12th

M,T,W,TH 7:30-10:00 and 2:30-3:30

Tuesday & Wednesday evening 3-7:00

On-line Shopping Link

<https://www.scholastic.com/bf/aftonelementaryschool>

Our Goal:

- **500 books per grade level**
- **2,000 books schoolwide**

If a grade level reaches **500 books**, they will earn the opportunity to try to dunk the principal in a dunk tank!

Each student in qualifying grades will receive one throw at the target.

House Competition Bonus!

Our House System will add an extra level of excitement to Literacy Week.

Students at Afton Elementary belong to one of four Houses:

-  **Amistad**
-  **Isibindi**
-  **Reveur**
-  **Altruismo**

The House with the **most students who successfully dunk the principal** will earn:

★ **10 House Points!** ★

This friendly competition encourages teamwork, school pride, and a little extra motivation to aim carefully!

We are thankful for our families who encourage reading at home and help us build a culture where literacy thrives. Together, we are helping our students grow not only as readers, but as confident learners and proud members of their House.

Let's see if our Little Chiefs can reach **2,000 books!**

—
Danny Robinson
Principal, Afton Elementary

Honors

Earning their 1st honors are: Gwendolyn Andrus, Adalyn Miseirvitch, Crew Owens, Haddie Hillstead, Weston Hall, Ezekiel Cruz, Claire Gipson, William Erickson, Sami Warren, Briar Kenley, Gavin Jacquart, Emmaline Wilkinson, Georgia Jensen, Sydney Johnson, James Hirschi, Ryatt Brayton, and Kambri Trauntvein.

2nd Honors are: Emerald Day, and Bear Morss.

Learning Update

Kindergarten - We are busy, busy, busy in kindergarten!

Our readers are continuing to grow as we learn new **heart words** and review the ones we already know. These are words we have to “learn by heart,” and we will keep adding more to our word banks all year long!

In writing, we are finishing up our informational unit by becoming authors of our very own **“How-To” books!** Ask your child what they can teach you to do! We are also working hard on writing complete sentences with correct structure and forming our letters the right way. During Heggerty word games, we are building strong listening and sound skills that help us become confident readers and writers.

During Reading Workshop and Reading Mastery, we are using our special reading **Super Powers:** we track each word with our finger, we smooth out our voices if they get “robot-y”, and we carefully look at every sound in each word.

Our mathematicians are beginning an exciting **operations unit!** We are looking at pictures and acting out math stories to decide if the action shows **joining (addition)** or **leaving (subtraction)**. First, we act it out. Then we tell the story. Soon, we’ll represent it with manipulatives, numbers, words, and number sentences!

We will also continue practicing number recognition, number writing, counting, and shapes all month long.

Kindergarteners are working so hard and growing every day, we are so proud of them!

1st Grade - Wow! We are so impressed with the growth our students are making. It is exciting to see their confidence building as readers, writers, and mathematicians!

Math

- Solving story problems
- Exploring measurement
- Learning about time
- Applying math skills to real-life situations

Reading

- Beginning an exciting new fiction unit
- Experiencing the power of story through empathy, imagination, envisionment, and prediction
- Tracking story events and noticing changes in the setting
- Paying close attention to what characters experience and how they respond
- Comparing and contrasting characters
- Learning about adverbs, commas, and compound words

Writing

- Learning strategies to revise and improve writing
- Creating class books to celebrate our storytelling
- Writing friendly letters

Phonics Focus- Vowel Teams

- oa, ow, oe /ō/
- ie, igh /ī/
- oo, u /oo/
- oo /ū/
- ew, ui, ue /ū/
- au, aw, augh /aw/
- ea /ě/, a /ǎ/
- oi, oy /oi/

120 Day will be March 12th, we will celebrate all things learning! We are also looking forward to celebrating Literacy Week, a special time to highlight our love of reading and writing! March is full of growth, imagination, and exciting learning. We are so proud of the hard work our first graders are putting in each day.

Enjoy your spring break!
The First Grade Team

2nd Grade - We are so lucky to be teaching your child! Let's see if we can get a strong finish before our much needed spring break. This month we will begin our rotations with our 4H extension office rep, Shar Perry, to learn more about plants. In math we will be working on geometry, fractions, and measurement. All of these are fun skills you can practice at home. You can reinforce these skills by pointing out the 3D and 2D shapes as you encounter them. Talk about the fractions you use when cooking together. Let your child measure things they find around the house. These are all great math skills to explore at home. In writing, some classes will be exploring various writing types such as poetry, graphic novels, fairytales and more. As always: read, read, read, and read some more with your child. March celebrates literacy and we want to do the same!

3rd Grade - We had a busy and exciting month in third grade. Here is a look at what your child learned and celebrated.

Math – Fractions

Students learned about fractions. They explored what fractions represent, identified fractions on a number line, and understood how fractions are equal parts of a whole. Students used visual models such as fraction bars and circles to build a strong foundation. We encouraged students to notice fractions in everyday life (like slicing pizza or sharing snacks) to help support their learning at home. Students made their own pizza and we divided the whole into fractional parts.

Science – Completing Our Unit

We wrapped up our current science unit this month. Students reviewed key concepts, participated in hands-on activities, and demonstrated what they learned through discussions and assessments. It was wonderful to see their curiosity and scientific thinking grow!

Reading – Winter Olympics Celebration

To celebrate our reading growth, we hosted a fun “Reading Winter Olympics”! Students participated in engaging challenges. and excitement about reading.

Building Vocabulary – Unfamiliar Words

Students practiced strategies for figuring out the meaning of unfamiliar words. We used context clues, word parts (prefixes, suffixes, root words), and reference tools to strengthen vocabulary skills. These strategies helped students become more confident and independent readers.

Text Features

In reading, we focused on text features in nonfiction texts. Students learned how headings, captions, bold print, diagrams, glossaries, and indexes helped readers better understand information. This supported both their reading comprehension and research skills.

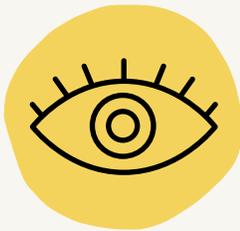

Thank you for your continued support at home. We encouraged students to read each night and practice multiplication and division facts regularly. If you have any questions, please feel free to reach out.

Warmly,
Third Grade Team

CALMING STRATEGY

When you feel upset, try this 5-4-3-2-1 grounding activity...

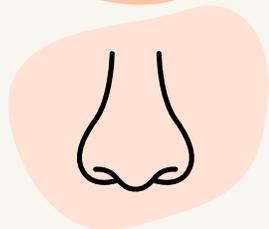

5 THINGS YOU CAN SEE

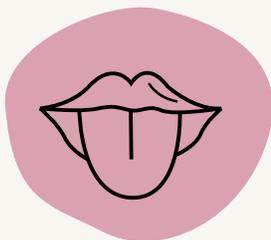

4 THINGS YOU CAN TOUCH

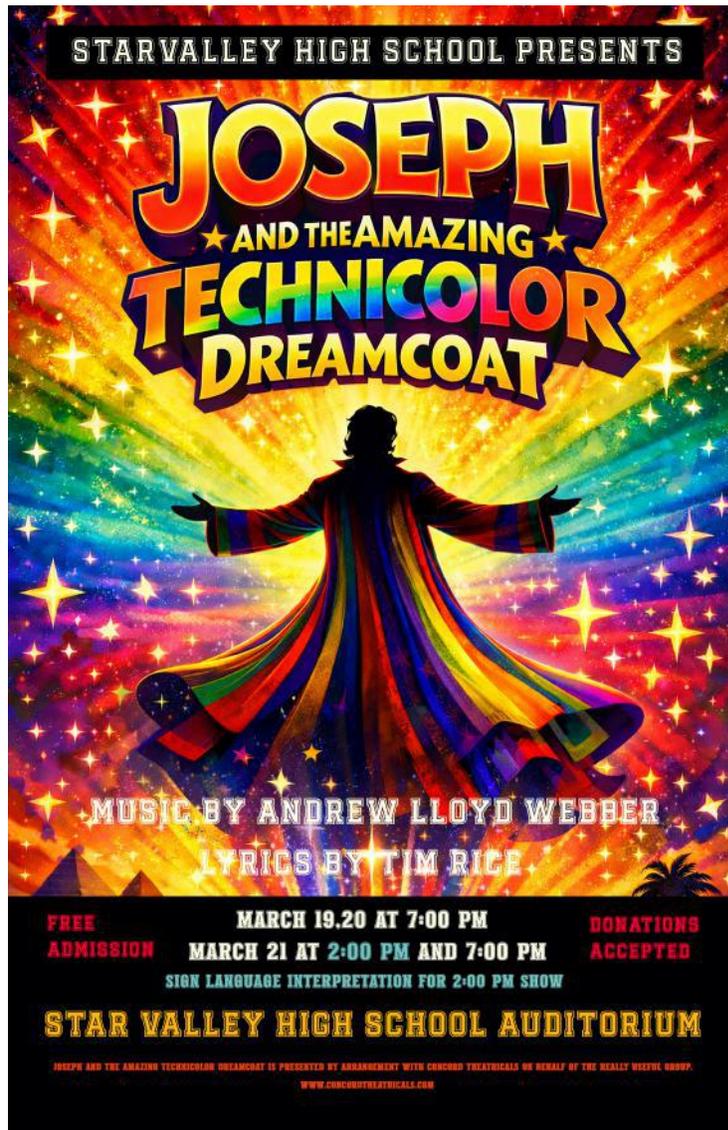

3 THINGS YOU CAN HEAR

2 THINGS YOU CAN SMELL

1 THING YOU CAN TASTE

SUMMARY

“Sha la la, Joseph, you’re doing fine! You and your dreamcoat, ahead of your time!” One of the most enduring shows of all time, *Joseph and the Amazing Technicolor Dreamcoat* is a reimagining of the Biblical story of Joseph, his father Jacob, eleven brothers and the coat of many colors.

Told entirely through song with the help of a main character Narrator, the musical follows preferred son Joseph. After being sold into slavery by his brothers, he ingratiates himself with Egyptian noble Potiphar, but ends up in jail after refusing the amorous advances of Potiphar’s wife. While imprisoned, Joseph discovers his ability to interpret dreams, and he soon finds himself in front of the mighty but troubled, Elvis-inspired, Pharaoh. Joseph’s solution to Egypt’s famine elevates him to Pharaoh’s right-hand man and reunites him with his family.

The magical musical is full of catchy songs in a variety of styles, from a parody of French ballads (“Those Canaan Days”), to country-western (“One More Angel in Heaven”) and calypso (“Benjamin Calypso”), along with the unforgettable classics “Any Dream Will Do” and “Close Every Door.”

Appropriate for all audiences and groups, *Joseph* is performed hundreds of times a year by schools across North America, the U.K. and around the world.

Breakfast

March 2026

Afton, Etna, Osmond, Thayne

Milk Variety Served Daily:
